ON THE COVER

Last weekend our wonderful, historical church opened again for Mass! It was so nice to see our parishioners return. Earlier in the year our candles were sent out to be refurbished. They were finished by Easter, but unfortunately we were not able to be in church for Easter so we could see them. Now that we are back in church, be sure to notice how beautiful the candles look. We truly have one of the most beautiful churches in Green Bay!

THANK YOU!

Thank you to the ladies from St. John the Evangelist who prepared a meal for about 200 people who were served at the New Community Shelter. It was served curbside on Wednesday, June 10th. If you are interested in helping with the next meal, please contact Anita Kirschling at 432-0160 for details.

Thank you to our friend, John Kukla, for volunteering to do the summer planting in the Bob Mongin Memorial garden near the elevator entrance. Stop by to enjoy the beautiful plants. Bob would be pleased!

FATHER'S DAY BLESSING

Gracious God and Father, our first father,
You are the One who has brought us to life in this world
you created.

You created us and everything around us.

We turned away from you
and only after disappointing you did we return your love.

Look with favor on our earthly fathers.

They helped create us in your image.

We have disappointed them,
but have come to realize just how important they are to us.
Bless all our fathers, living and deceased, with comfort and
health.

We bring all their needs to you
and ask for strength so they may live worthy lives.

We ask all this in the name of your Son,
our model of what it means to reverence our fathers.

In Christ's name.

Amen.

NEWS AND A REQUEST FROM ST. JOHN'S SHELTER

Hi all,

Hope you are enjoying this beautiful stretch of weather! As many of you know, tomorrow is our last day utilizing San Louis Place as a 24/7 site for our St. John Shelter guests. It's been a great location for the time we were able to use as part of our Covid-19 care for our homeless brothers and sisters. Beginning Tuesday we will go into a summer safe sleep mode, offering overnight stay at the downtown St. John site along with transitioning some guests into other summer and more permanent housing. As part of our summer operations, the Micah Center will be reopened as a daytime center, and will be a lunch site for guests. Would you be willing to take a date to provide lunch for our guests? Here's what would be looking for: Please pack 30 bag lunches. Ideas for bag lunch contents: water bottle or juice box, sandwich, string cheese, chips, granola bar, cookie, fruit, fruit cup, applesauce, etc. Can contain cold items, but we ask that you drop off as close to 11:00 am as you are able, as we will be handing out lunches immediately with little capability of keeping them cold for an extended period of time. Please drop off lunches to the back door of The Micah Center (at the glass vestibule). Call inside to let staff know you're dropping off (617-8700). Sign up for lunches is being done completely online via MealTrain. Use this link to access the summer lunch mealtrain for the shelter: <https://mealtrain.com/rw470l> Thank you!!

GOSPEL MEDITATION June 14, 2020 Twelfth Sunday in Ordinary Time

There are many things of which we can be afraid: being rebuked, rejection, anger, being challenged, having to defend ourselves, standing alone, insecurity, failure, and even death. For some, identifying and overcoming their fears is a daunting task. Regardless of how much they may want to break the cycle of fear, they find that they remain close friends with old and dysfunctional behavioral habits and norms. Maybe what they really fear is change. There are many who gravitate to the familiar and comfortable, and find safety and security in doing so, even if they remain mired in mediocrity. Human beings have to learn that there is life beyond the “what has always been” and that happiness and dare possible when old structures and systems have to be left behind

Can you leave the near and dear, the comfortable and familiar, the safe and secure, and discover new opportunities? The sheer thought of doing so can bring on feelings of apprehension, intense anger, resentment, defensiveness, reluctance, resistance, and even apathy. If we have to be responsible for making the change, cowardice can creep in. If someone else is to blame for making the change, any number of possible negative reactions are possible. In the end, only one thing is required and that is God. If I can rely on and deepen my relationship with God, especially in the Eucharist along with a community of believers, then little else is of great concern. We have to figure out what is really important. It is not always what we think. We are called to live life more deliberately, radically, and intentionally. We are asked to leave the familiar behind and learn to live with changing, and often limiting, human structures. We cannot get too caught up in the The Gospel calls us to stretch ourselves and try new things, not to remain stuck and stagnant in familiar ways. We are as-physical, ideological, or ostructural systems we are used to. The Holy Spirit always leads and guides us. If we trust this, we will find ourselves doing things we never thought we could do. Always seek the path to joy and love. They keep us from falling victim to our fears and from seeking the nostalgic crutches we think we need to achieve a sense of well-being and happiness.
